Mid-Term Cheat Shirt/Sheet

The pre-algebra mid-term will be **Wednesday, January 15, 2014**. It will cover the material we have learned so far in class. That's a lot of information! Because it is so much to remember, you will have the opportunity to use one of the following:

> **A cheat shirt:** a t-shirt on which you have written information to help you
> OR
> **A cheat sheet:** an 8.5 x 11-inch piece of copy paper on which you have written (or typed) information to help you

If you choose to use a cheat shirt, you must wear it to class on Wednesday, January 15, 2014.
